It is our great pleasure to invite you to the anniversary celebration of the
International Department of the Karlsruhe Institute of Technology.

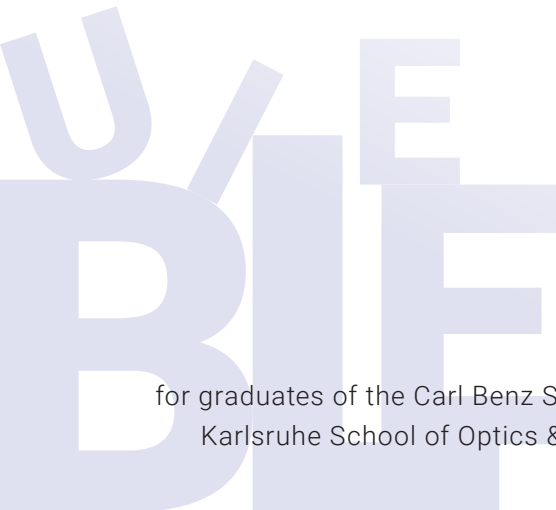

Please mark your calendars for **October 9**, starting at 5 pm
in the Audimax of KIT, Karlsruhe.

Our mission is to meet the educational needs
of society and global companies.

The world is full of opportunities: Let's celebrate the successes of the past
25 years together and create the platform for the future.

Dr.-Ing. Judith Elsner
Managing Director International
Department
